Free Delivery

- Upon completion of any certified program, we provide the original copy of your MREI Certificate for free delivery to your home address.
- You'll receive both the Simple and Advanced versions to ensure you have options to suit your preferences.

Rest assured, your MREI Certificate is authentic and verifiable. Each certificate is assigned a unique identification number. You can verify the authenticity of your certificate easily through our website or by scanning the QR code provided.

Secured by Blockchain

Our dedication to the security and integrity of your MREI Certificate is unmatched, thanks to our use of blockchain technology. Here's what it means for you:

- **Immutable Record:** Your certificate is securely registered on the blockchain, creating an unchangeable record of your achievement.
- **Transparency and Trust:** Blockchain ensures transparency and trust in the verification process, allowing anyone to independently verify the authenticity of your certificate.
- **Enhanced Security:** Utilizing advanced cryptographic techniques, blockchain protects your certificate from unauthorized access, fraud, or manipulation.
- **Future-Proofing:** By leveraging blockchain, your certificate remains valid and relevant in an increasingly digital world, ensuring its longevity and value throughout your career.
